

This Quick Start Guide provides information to help you start using WebAssign.

INSTRUCTOR OR INSTITUTIONAL ENROLLMENT

Unless your instructor gave you a class key like **MYSCHOOL 1234 5678**, you are probably already enrolled in your class and only need to sign in to start using WebAssign.

Reset Your Password

You can reset your Cengage or WebAssign password if your account has an email address.

1. On the sign-in page, click **Forget** for the password you need to reset.
2. Provide the requested information.
If the information matches your account, you should receive a password reset email.
3. Open the password reset email and click the reset link or button.

PURCHASE ACCESS

WebAssign gives you free access for two weeks after the start of class. To continue using WebAssign after that, either enter an access code or purchase access online.

NOTE: An access code included with some textbooks verifies that you have already purchased WebAssign access.

I have an access code

1. Verify your access code at webassign.net/user_support/student/cards.html.
2. Sign in to WebAssign.
3. Click **Verify Payment**.
4. Enter your access code and click **Redeem**.

I do not have an access code

1. Sign in to WebAssign.

3. Select the items you want to purchase and click **Continue**.
